Warranty Information

MikroTik warrants all RouterBOARD series equipment for the term of 12 months from the shipping date to be free of defects in materials and workmanship under normal use and service, except in case of damage caused by mechanical, electrical or other accidental or intended damages caused by improper use or due to wind, rain, fire or other acts of nature. If you have purchased your product from a MikroTik Reseller, please contact the Reseller company regarding all warranty and repair issues, the following instructions apply only if you purchased your equipment directly from MikroTik Latvia. To return a failed unit or units to MikroTik you must follow the RMA instructions to save time, efforts, avoid costs, and improve the speed of the process. Instructions are located on our webpage:
